Reston, VA (April 6, 2017) – On March 20, 2017 Orr Partners was part of the “topping out” celebration at VY at Reston Heights in Reston, Virginia. The important milestone of placing the final roof trusses at the top of this JBG development was marked with a party for the contractor and subcontractors hosted by Balfour Beatty Construction. The event included lunch and a raffle for those in attendance. Orr Partners, led by Michael S. Ollinger, is managing the VY project which includes about 90,000 square feet of retail space and nearly 400 residential units, which are planned to deliver in Fall of 2017. Don Schlusemeyer, Balfour’s Senior Project Manager attended the event and noted, “The project’s success to this point has been due to the hard work of these subcontractors who have been working hard to meet an accelerated schedule, as well as the efficient collaboration between Orr Partners, Cunningham Quill and Balfour Beatty Construction. These events are important to convey our gratitude for everyone’s hard work.”

Scott Siegel, President of Orr Partners, added, “It is great to see the men and women who work so hard on the project being recognized.”
