Orr Partners Announces Hiring of Huriyet Anaz

Reston, VA (January 18, 2018) – **Orr Partners**, an industry leader in project management and owner's representation services, has hired Huriyet Anaz as Senior Development Manager. Ms. Anaz will be working on several of Orr's development projects including assisted living and multi-family developments. "Huriyet has an incredible track record of success and we are extremely fortunate to have her join our firm," commented Scott Siegel, President.

Ms. Anaz holds a MS in Construction Management and Engineering from Catholic University of America, as well as a BS in Civil Engineering from Istanbul Technical University. She has over 15 years of experience as a Development and Project Manager with a focus on large, complex real estate projects, often incorporating residential, retail and/or commercial space components. Her engineering background and full life cycle development management experience will be invaluable to Orr Partners and our clients. Ms. Anaz's leadership and organization skills will ensure her project teams will produce excellent results for owners and end users.

Ms. Anaz remarked, "I look forward to working with such a great firm. Their outstanding reputation and success in the market made my decision an easy one to join this dynamic team."
