

A Message from Orr Partners

To our clients, friends and industry partners:

As our country faces the challenges of dealing with the coronavirus, we want to inform you of the measures we will be taking to protect our employees and ensure the projects we are involved with continue to move forward. We remain steadfast in our commitment to delivering the top of the market services our clients and industry partners are accustomed to while taking appropriate measures to protect our employees and community.

- Effective immediately and until further notice, we will be managing all regular project meetings remotely. Our staff has all of the necessary technology to assemble video teleconference and conference calls.
- Our staff is properly equipped and will be largely working from home until further notice. **We will continue to remain fully accessible via our mobile phones.**
- Internally, Orr leadership will be communicating frequently with our staff to ensure they have everything they need to be as productive as possible.

We value our partnership and friendship with all our clients and industry partners and take comfort knowing we are all weathering this storm together. If there is anything we can do to assist you during this time, please do not hesitate to reach out directly to us at our mobile phone numbers below.
