### FOR IMMEDIATE RELEASE

## ORR PARTNERS ENGAGED BY ALARM.COM

**Reston, VA (May 21, 2014)** – **Orr Partners**, an industry leader in project management and owner's representation services, has been engaged by Alarm.com to provide comprehensive project and program management services for their new headquarters facility in Tysons Corner, Virginia. "Alarm.com is a remarkable company with tremendous energy, we knew from our first interview with them that they were a client we really wanted to work with," remarked Scott Siegel, President.

Alarm.com currently occupies approximately 38,000 SF of office space located at 8150 Leesburg Pike in Vienna, VA and is considering multiple properties for relocation and expansion. Orr will provide site evaluation and selection assistance as part of its scope of services. "Selecting a new headquarters location goes far beyond analyzing rental rates and tenant allowances," commented Mr. Siegel. "This will be their home for the next decade and it has to be aligned with their corporate mission and identity".

In addition to site selection, Orr will manage the complete design, permitting, construction and occupancy of the new headquarters facility. "Alarm.com has expressed a clear vision for the space and how it will be used," stated Jim Whalen, Senior Project Manager for Orr. "We understand their desire to use the space as a recruiting tool for top talent and to demonstrate their capabilities to their customers."
