ORR PARTNERS SUPPORTS FUTURE HEALTHCARE PROVIDERS

Reston, VA (June 13, 2017) – Kate O'Hara, **Orr Partners Property Management** Vice President, was recognized by The Claude Moore Health Academy for her “continued support in the education of future healthcare providers.” Every year, Ms. O'Hara volunteers her time to conduct mock interviews for future healthcare providers to prepare them for upcoming college and/or job interviews. “It's great to have the opportunity to connect with students one-on-one and help prepare them for their next big step,” she said. “That first interview can be overwhelming, so I love helping these kids practice before the real thing.”

These practice interviews also mean a lot to the students... “I will take this experience to heart and use all I have learned in the future,” wrote one of the students in his thank you note to Ms. O'Hara. “Thank you so much...for helping me prepare for the many interviews in the upcoming future,” wrote another student. Ms. O'Hara is touched by the thanks of the students and recognition from the staff. She is proud to help these young adults on their road to a bright future in healthcare.

ABOUT THE CLAUDE MOORE HEALTH ACADEMY

Monroe Technology Center's Claude Moore Health Academy is a program of the Loudoun County Public Schools. The Academy covers the areas of practical nursing, medical laboratory technology, pharmacy technology and radiology technology. Students enrolled in these classes are dual-enrolled at Northern Virginia Community College and the program's instructors are adjunct professors at the college. The Academy is funded by the **Claude Moore Charitable Foundation**, which was established in 1987 by Dr. Claude Moore, a successful physician and Northern Virginia landowner who left most of his fortune in trust for the purpose of enhancing educational opportunities for young people.
