

FOR IMMEDIATE RELEASE**ORR PARTNERS ENGAGED BY TOWN OF VIENNA**

Reston, VA (December 22, 2016): The Town of Vienna has selected **Orr Partners** to manage the completion of the Vienna Community Center. The Community Center, which originally opened in 1962, has been a popular staple among town residents. The renovated and expanded project will include a new 9,000 SF gymnasium, a 5,000 SF addition to create a new lobby, building connections and restroom core, as well as renovation of the existing structure. “The Town has put a tremendous effort into designing and planning a facility that will be heavily utilized by all age groups in the community,” commented Scott Siegel, President of Orr Partners. Site challenges include the relocation and alignment of the W&OD Trail and upgraded and relocated utilities. The project is registered with USGBC and is targeting a LEED Silver rating. Orr has successfully delivered dozens of LEED Certified projects and is looking forward to the challenge. According to Mr. Siegel, “LEED projects have become the norm as more and more of our clients recognize the need to be good stewards of our environment.”

Matt Armstrong, who successfully delivered the first LEED Gold Certified Day Care Center will be the Senior Project Manager assigned to the project. Matt grew up nearby and has fond memories of the center. “I spent a lot of time in the original Community Center and am thrilled to be a part of this exciting transformation,” he stated. “I really enjoy working on projects that I know will have a positive impact on the community.”
